11(1)(b)	Discarding waste except in a designated receptacle	200
11(1)(c)	Discharging contents of a holding tank except at a designated pumpout station	200
11(2)	(a) Removing a cultural resource other than in accordance with a permit	200
	(b) Removing a natural resource other than in accordance with a permit	200

	(c) Removing a structure other than in accordance with a permit	200
	(d) Removing equipment other than in accordance with a permit	200
	(e) Removing an object other than in accordance with a permit	200
	(f) Altering a cultural resource other than in accordance with a permit	200
	(g) Altering a natural resource other than in accordance with a permit	200
	(h) Altering a structure other than in accordance with a permit	200
	(i) Altering equipment other than in accordance with a permit	200
	(j) Altering an object other than in accordance with a permit	200
	(k) Destroying a cultural resource other than in accordance with a permit	200
	(l) Destroying a natural resource other than in accordance with a permit	200
	(m) Destroying a structure other than in accordance with a permit	200
	(n) Destroying equipment other than in accordance with a permit	200
	(o) Destroying an object other than in accordance with a permit	200
12	(a) Vacating property in unkept condition	100
	(b) Vacating a facility in unkept condition	100
14(1)	(a) Dredging other than in accordance with a permit	275
	(b) Filling other than in accordance with a permit	275
14(5)	Failure to comply with a stop work order	300
14(6)	Failure to comply with a restore order	300
15(1)	(a) Erecting a sign over or in a historic canal other than in accordance with a permit	100
	(b) Erecting a structure over or in a historic canal other than in accordance with a permit	100
	(c) Erecting an object over or in a historic canal other than in accordance with a permit	100
17(1)(a)	(a) Taking off an aircraft on a navigation channel	200
	(b) Landing an aircraft on a navigation channel	200
	(c) Mooring an aircraft on a navigation channel	200
17(1)(b)	(a) Taking off an aircraft on waters within 100 m of a lock	200
	(b) Landing an aircraft on waters within 100 m of a lock	200
	(c) Mooring an aircraft within 100 m of a lock	200
	(d) Taking off an aircraft on waters within 100 m of a bridge	200
	(e) Landing an aircraft on waters within 100 m of a bridge	200

	(f) Mooring an aircraft within 100 m of a bridge	200
	(g) Taking off an aircraft on waters within 100 m of a dam	200
	(h) Landing an aircraft on waters within 100 m of a dam	200
	(i) Mooring an aircraft within 100 m of a dam	200
17(1)(c)	(a) Taking off an aircraft on waters at point where waters are 150 m wide or less other than in accordance with a permit	200
	(b) Landing an aircraft on waters at point where waters are 150 m wide or less other than in accordance with a permit	200
	(c) Mooring an aircraft at point where waters are 150 m wide or less other than in accordance with a permit	200
18	Camping outside boater campgrounds	75
19	Camping at a boater campground other than in accordance with a permit	75
22(1)	Discharging fireworks	150
23(1)	(a) Lighting a fire in a prohibited place	75
	(b) Maintaining a fire in a prohibited place	75
23(2)	Leaving a fire unattended	75
23(3)	Failure to extinguish a fire	75
24(1)	Failure to restrain pet by a harness or leash or confine pet in enclosure	100
24(2)	Failure to remove or dispose of pet excrement	100
25(1)	Bringing livestock	75
27(a)	Failure by owner to ensure that vessel is fitted with proper mooring lines	75
27(b)	Failure by owner to ensure that vessel fender is securely fastened and made of material that will float	75
28(a)	Operating a vessel that may damage historic canal	150
28(b)	Operating a vessel that may endanger the safety of persons using a historic canal	150
28(c)	(a) Operating a vessel that may delay navigation	150
	(b) Operating a vessel that may obstruct navigation	150
29(a)	Failure to obey traffic control devices	150
29(b)	Failure to obey instructions respecting the use of locks and channels	250
30	(a) Operating a vessel in manner that endangers the safety of persons or property	200
	(b) Failure to control wake resulting in danger to the safety of persons or property	200
31(1)	Failure of person in charge to give way when approaching a bridge	100

31(2)	Failure of person in charge to give way when approaching bend	100
31(3)	(a) Overtaking of another vessel within 300 m of lock	100
	(b) Overtaking of another vessel within 300 m of guard gate	100
	(c) overtaking of another vessel within 300 m of bridge	100
31(4)	Failure to reduce speed in work zones	150
33(1)(a)	(a) Unlawful attempt to pass vessel through swing bridge	150
	(b) Unlawful attempt to pass vessel through lift bridge	150
34(1)	Attempting to pass through Brighton Road Swing Bridge other than in accordance with a permit	100
35(1)	Unlawfully allowing vessel to leave an approach wharf to enter or leave a lock	150
35(2)	Failure to give way to another vessel leaving lock	150
35(3)(a)	Allowing improperly equipped vessel to pass through a lock	150
36(a)	Failure to properly secure vessel in lock	150
36(b)	Failure to ensure that each mooring line is attended by crew while passing through a lock	150
36(c)	Failure to ensure that the engine compartment blower or exhaust fan is operating while passing through a lock	150
37	(a) Smoking or having an open flame on coping wall while passing through a lock	150
	(b) Smoking or having an open flame on lock gate while passing through a lock	150
38(a)	Smoking or having an open flame onboard while passing through a lock	150
38(b)	Turning on or off any appliance while passing through a lock	150
38(c)	Operating an engine while passing through a lock	150
40(1)	Mooring a vessel in a manner that obstructs navigation	150
40(2)	Mooring a vessel along an approach wharf for a reason other than waiting to enter the lock	75
40(3)	Unlawfully affixing mooring line	75
40(4)	Mooring a vessel other than in accordance with a permit	75
40(6)	Unlawfully mooring a vessel not of particular type or class	75
40(7)	Mooring a vessel at a wharf for longer than designated period	75
41	Mooring a vessel in a navigation channel	150
42	Wintering a vessel other than in accordance with a permit	75
43	Lying up a vessel other than in accordance with a permit	50
44(1)(a)	(a) Moving an aid to navigation	250

	(b) Altering an aid to navigation	250
	(c) Destroying an aid to navigation	250
44(1)(b)	Mooring a vessel to an aid to navigation	250
44(1)(c)	Setting out navigation markers other than buoys	250
44(1)(d)	Setting out a buoy other than in accordance with a permit	250
45(1)(a)	Operating a vehicle with treads that may damage bridge surface, other than in accordance with a permit	150
45(1)(b)	Operating on a bridge a vehicle whose gross weight exceeds the posted load capacity of the bridge, other than in accordance with a permit	150
45(4)	Proceeding over a bridge prior to closure device being fully open	150
46	Operating a motorized vessel in prohibited area	75
